The Life Sciences take charge of the Biology component in this Learning Area. The primary aim is to prepare students adequately for Life Sciences in the senior Grades, as well as instilling some awareness of the Human Body and our Environment, for those who choose not to continue with Life Sciences in Grade 10.

Life Sciences – Grey High School
Learners should be aware that there are two kinds of cell division, but only need to know mitosis in Grade 10. It is important that to remind learners that mitosis is the "copying" division, where the two daughter cells are exact copies of the mother cell. However, in meiosis, it is a reduction division where the daughter cells have half the number of chromosomes than the mother cell.
