AW2400 Owner's Manual - Yamaha Corporation

I'm new here. I just bought a Yamaha AW2400 audio workstation. I know how to turn it on and how to shut it down. I'm reading the manual over and over. I want to record my saxophone. So that's what I'm working on. I'll be interested in reading what anybody else is doing in that area with an AW2400. Bill

In that time the original flagship AW4416 and the mid-range AW2816 have both been discontinued, leaving only the more basic AW16G in production. For a while it seemed that Yamaha might have given up on the hardware recording market, but the recent announcement of new AW2400 and AW1600 models has proved otherwise.
