Modern Life Of A Vintage Housewife: The 1950's Housewife Guide

The 1950s housewife had been prepared both at school and at home for her role in life; she took pleasure and pride in looking after her home and family to the best of her ability. However on the other side of the coin, she didn't have a career outside the home and she had no income of her own, which left her dependent on her husband.
