1 Answer. 2006 ford expedition radio doesn't work. Just bought this expedition and the radio doesn't work. I removed the bezel on the dash, pulled radio out, and there is an antenna hooked up on the right rear, and a connector with wires on the left rear, but in the middle, there is a female socket

Cracking the Code of

the Dead Battery and Deader Car Radio There are a few different reasons for a car radio to stop working after the battery has gone completely dead. The first, and by far most common, is that the radio has an anti-theft [feature] that kicks in whenever battery power is removed.
