about. This site contains miscellaneous resources for students and teachers of Advanced Placement Calculus AB and BC. It was originally created in 2006, under a different domain name, for the purpose of making classroom materials available to my students.

CalculusQuestions.org

I took the AP Calculus AP test (I think it was form Q) today May 6, 2009 and I thought the free response questions were very hard compared to the previous exams. I was on my way to a 5 then when I saw the questions, I couldn't understand and couldn't figure out how to solve the problems. For those of you who took the test today, share your thoughts.
