Daleks' Invasion Earth: 2150 A.D. premiered in London on July 22, 1966 (as with the previous film, the release date was designed specifically to fall during school holidays), and while it was deemed a success, the box-office results were not as dramatic as those for the first film. The producers held an option for a third film based on another Dalek story from the TV series, but--feeling that "Dalekmania" was waning--they did not act on the option and a third film was not produced.
