"Twenty-five to Life" is the terminology used to refer to prison sentences for criminals. Many governments believe the worst sentence for a criminal is to spend the rest of his or her life behind bars. However, many more people in the world are living out their own prison sentences, just not behind bars.

25 To Life by Adam Green is a must-read for the person on the fence about whether to jump into the world of network marketing, or the world of creating residual income at all. This is a short, 50 page book, that introduces you to Adam's story on how at 25 years of age he became a 7-figure earner and officially broke away from the chains of the 40/40/40 plan: Work 40 hours a week, for 40 years, and retire on 40% of your income.
