4JX1 oil issue by Inventor » Mon Feb 11, 2013
2:15 am My 2001 4JX1 turbo diesel Jackaroo
has a bit of an issue where after the car has
been sitting for a few days then started up
(it starts easily) it will have no oil
pressure for about half a minute. During this
time the oil pressure gauge is at zero and
the oil light is on.

What Type of Engine Oil for Isuzu Trooper. Capacity

From what i've read in the forums so far, looks like if you want to play safe with your 4jx engine, you have to use the casa's besco api 30 oil. You might be taking risks with your injectors/turbo if you use another brand or grade of engine oil.

Isuzu Trooper Oil Pressure Guage - NO OIL PRESSURE ...

I wouldn't recommend it as your primary vehicle. the 4jx1 engine requires tedious attention (checking for diesel in the radiator, rising oil in the dip stick, hard starts, emission problems to name a few, as well as proper oil viscosity and regular 5000kms oil change) and meticulous trouble shooting, but thanks to this forum, I've acquired the manual which has helped me a lot.

After 1998, and the introduction of the "4JX1" 3.0-liter diesel engine, a four-speed automatic transmission was made available in addition to the five-speed manual transmission. The Australian version of the UBS-series was sold as the Holden Jackaroo/Monterey. In July 1993, Holden Special Vehicles also launched 79 HSV Jackaroo models, which were just a cosmetic upgrade to Holden donor powered ...

Isuzu Trooper (EU) engine oil capacity - Oilchange

The 4JX1 diesel engine was one of the first of the modern high performance diesel engines delivering previously unknown levels of torque and power. The engine was manufactured by Isuzu in Japan and fitted to their range of 4WD vehicles sold around the world in the period 1998 - 2004, or thereabouts. This vehicle was sold in Australia under the Holden brand as the Jackaroo 3.0 TDI. The
