After moving back into mainline strength training following my rehab phase, I found myself without a strength coach, so I ordered 52-Week Football Training to provide myself with a structured college/pro style training program. This book has it all, and the best part is that it is laid out day by day for an entire 365 days.

A Full High School Football Workout Program | SportsRec

A football training program lasts 12 months – even if the competitive in-season only spans from September to December. And that applies to any football player at any level... Even if you only have a couple of days a week spare for football conditioning, you should still adapt and vary those sessions over the course of a year.

52-Week Football Training by Ben Cook - Goodreads

training (who gets bored doing a different workout every week?!). That got me thinking – how many workouts do I know about? I started keeping a list, and before I knew it the list had grown to over 40 workouts. With a little more thought, I expanded the list to 52 workouts. That's a different workout for every week of the year.
