A Biblical Church Planting Manual From The Book  
Answer: Church planting is the establishing of an organized body of believers in a new location. The process of church planting involves evangelism, the discipleship of new believers, the training of church leaders, and the organization of the church according to the New Testament model. Usually the process also includes writing a church charter and/or doctrinal statement and finding a place to meet or buying property and erecting a new building.

What is church planting? | GotQuestions.org

This manual is a suggested strategy for church planting in the United Reformed Churches in North America (URCNA). The Missions Committee of the URCNA has written it in partial fulfillment of their mandate to develop helpful guidelines for the assistance of Consistories and church planters in the work of missions.
