schools. Whether we can evaluate a curriculum in a matter of days is another question, but this resource is shared to support those who are revising curriculum plans and schemes of work.

Curriculum Planning | Teacher Toolkit

Curriculum planning includes a teacher creating a class curriculum. The Process. Teachers often draw up their curriculum plans over the summer, while school is out. Plans can range from basic outlines to detailed charts and reports, but almost always include rough ideas of dates, as well as major topics to be covered.

A Curricular Plan provides a roadmap for completing this academic program and the UB Curriculum on time. Your actual plan may vary depending on point of entry to the university, course placement and/or waivers based on standardized test scores, earned alternative credit and/or college transfer credit. All students are encouraged to use this plan in conjunction with other academic planning resources such as your academic advisor, the HUB Academic Advisement Report, My Planner and Path
