The reflection toolkit. Reflection requires a number of skills which can easily be developed. Self-awareness – an ability to pause, to pay attention to thoughts and feelings and to self-question non-judgementally. This will help you to become aware of your habitual ways of thinking and behaving in any given situation).

Sometimes you will receive reflections that are hard to mark against your criteria or are indeed better than your rubric would suggest. However, having a rubric will give you a place to start for these reflections. If you find that your rubric consistently misses aspects this would suggest the criteria need updated.
