cover each aspect of Toyota's work in transportation, technology, and innovation. Part of this work includes the creation of the Toyota Mirai, a hydrogen powered car that runs on...water.

## **Case Study 2020: Toyota Vehicle of Change - NationSwell**

By Daniel Opoku Abstract Purpose: the main purpose of this study is to find out about the recalls of Toyota vehicles which lead to the death of some innocent lives. The recall was due to unintended acceleration. Toyota ultimately recalled millions of its cars for floor mat issues, brake problems and "sticky" gas pedals.
