Account-based marketing is possible thanks to innovations in marketing technology (MarTech). Since the rise of marketing automation platforms (MAPs), thousands of new MarTech software vendors have entered the product category. There are dozens of subcategories of MarTech, such as email marketing, interactive content, advertising, video marketing, events, search (SEM and SEO), content marketing, social media marketing, and many more.

Account-Based Marketing For Dummies Cheat Sheet - dummies

The first step of account-based marketing is to identify your best-fit contacts. With traditional lead-based marketing, your marketing team focused on feeding as many leads as possible into the top of the funnel. With the account-based marketing funnel, you start the sales process by focusing on a single point of contact.
