The bookkeeping practice set uses a one month accounting cycle for a fictional business (Baldy's Barber Shop) and is a great way for individuals and students to learn and test the bookkeeping skills needed to properly perform the necessary bookkeeping and accounting tasks. This accounting practice set includes 56 transactions for the month of December that the student records in each of the exercises. Each of the bookkeeping exercises requires between 4 and 6 hours to complete.

I'm completing an online practice set for my accounting class. I've successfully completed 4 weeks worth of journal entries, as well as the bank reconciliation. I'm now working on the adjusting entries and can't figure out why I'm \$102.00 over on the adjusted trial balance. This is based on 3 months of operations. The data for the adjusting entries along with me journal entries are below.
