I too decided to upgrade my Acer H340 to WHS2011, and I followed the famous "Jake Thomas guidelines" referred elsewhere in this forum (many thanks to him for an in-depth and very useful description), based on initial installation from a client machine thru USB and then finalization on the H340. Sadly I didn't get very far in the process: 1. After backing up my data I took the chance and ...

When I purchased my Acer EasyStore H340 the box contained three CD's; Software Installation Disc version 1.1, Server Recovery Disc version 1.0, and PC Recovery Disc version 1.1. These are the same CD's which are listed on page 12 of the Aspire EasyStore H340 Quick Start Guide and none of these CD's contain the diagnostic utility ANNIE.GHO.

They have the user manual online in the Acer support site. There's a section there on recovery but it's not completely clear to me if you need to recovery DVD or not. Try this: 6 Recover or reset the home server: (1) Hold down the power button for 4 seconds to turn off the home server. (2) Press the power button to turn it on. (3) Turn the system around so that you have access to the back of ...
