violin — The

Wikipedia

The earliest
known

Stradivarius

violin was made
in 1666, when
Stradivari was
only twenty-two.
Some believe
that he was the
apprentice of
Nicolo Amati,
the grandson of

File Type PDF Adas Violin The

violin maker

Andrea Amati
(1511-1577).

Another

implication is
that he was a
woodworker by
trade, which
would explain
his genius
talent in design
and drafting.

History of
