Adrian Mole and the Weapons of Mass Destruction is Sue Townsend's sixth full Adrian Mole novel. It is set in 2002/3 and Adrian is 33¾ years of age. The life of the protagonist is covered for one year, with a short epilogue that jumps to a time one year later. The title of the book refers to the Iraqi WMD that were used as justification for the Iraq War which began at this time. This is a recurring theme throughout the book.

The saga of Adrian Mole continues with our hero buying his first home despite the fact he cannot afford it. Like his previous adventures this book is written in Diary format but does not have regular day after day entries. The story covers Adrian Mole getting into ever increasing debt whilst dating a simple minded girl from a crazy family with a stupid name. Despite his snobbish naivety he survives it all whilst maintaining an unshakable reliance on the prime minister regarding weapons of mass ...
