Gates provides a broader view of the canon of classics of African
American literature available from Penguin Classics and beyond.
Gates writes, "These texts reveal the human universal through the
African American particular: all true art, all classics do this; this is
what 'art' is, a revelation of that which makes each of us sublimely
human, rendered in the minute details of the actions and thoughts
and feelings of a compelling character embedded in a time and
place."

Longman is proud to announce the Penguin Academics Series
Edition of American Literature. The Penguin Academics Series, in
the tradition of Penguin Publishers, offers highly respected, highly
affordable, trade-format books by preeminent scholars. American
Literature emphasizes its range of selections and minimal apparatus,
challenging the existing books on the market by offering a briefer
and less expensive book.
