The book showcases scores of different interiors, from private jets all the way up to the huge Airbus A380. The myriad pictures showcase interiors from the eye-candy insides of the private section of the A380, to more mundane interiors of years past. Aircraft Interiors is much more of a picture book than a treatise on interiors.

Airport Design, is quite similar to its sister publication, Aircraft Interiors. Like the inside of an airplane, most people don't really think much of the airport that they are travelling in and out of. In the past, an airport was simply a transition point. Today, the concept of airport cities are becoming a reality, where the airport is its ...
