LESSON5.8. Professional Development Professional Development. Professional Development Videos. Progress to Algebra. If Children Ask. Children may ask how addition and subtraction facts can have the same sum or difference. This concept may be confusing since these number sentences are not related. Explain that not all number sentences are related. For example, children may ask why $2 + 4 = 6$ and $8 - 2 = 6$ are both ways to make the number 6, but the sentences are not related.
