Ourselves & Our Bodies Story Books

'This is me' can be used to record details about a person who can't easily share information about themselves. For example, it can be used to record: a person's cultural and family background important events, people and places from their life

---

This is me | Alzheimer's Society

An accessible information text perfectly pitched for KS1. This book answers questions about how the hearts and lungs work and what their function is in the human body. Complete with pictures, diagrams and suggestions for activities and investigations, this is a great book to support the human body science topic in KS1.

Childminder \*All about me/child record forms permissions ...

My life and me provides a much-needed template to help children who no longer live with their family of origin to develop and record an accurate knowledge of their past and their family. Once completed, the book will provide them with a permanent record which they - and with their permission, the adults caring for them - can refer to at any time and which the child can carry with them through life.

All About Me Books for Preschool and Kindergarten - Pre-K ...

The 'About Me' books can be picked up from PALS in the hospitals main entrance and will also be handed out to patients on the wards and in outpatient clinics. I hope that having the booklet will help make people's experience of hospital better and will be a helpful tool for the Trust to improve patient care.

---

NHS England » A patient passport that's all about me

Introduction. The Domesday Book - compiled in 1085-6 - is one of the few historical records whose name is familiar to most people in this country.
