America the Story of Us: Faces of America | History - YouTube

"America: The Story of Us" should be required viewing. While one viewer was very upset by comments made by some of the modern-day people which are interspersed here and there, those can all be taken with a grain of salt. The story itself and the historical accounts are superb and gave me an entirely new appreciation for how and why this country came to be, and it is excellent viewing. Watch it ...
