Journal description. The Journal of the American Chemical Society, founded in 1879, is the flagship journal of the American Chemical Society and a highly esteemed journal in the field.

Journal of the American Chemical Society

American Chemical Society appoints Craig Lindsley editor in chief of ‘Journal of Medicinal Chemistry’ by Marissa Shapiro Dec. 14, 2020, 12:00 PM

American Chemical Society appoints Craig Lindsley editor—

The ubiquity of nitrogen-containing small molecules in medicine necessitates the continued search for improved methods for C–N bond formation. Electrophilic amination often requires a disparate toolkit of reagents whose selection depends on the specific structure and functionality of the substrate to be aminated. Further, many of these reagents are challenging to handle, engage in undesired ...
