Originally published in 1955, A Child's First Book of American History is written in the grand, dramatic, patriotic style of early American readers. Beautifully illustrated by James Daugherty, colored or sepia-tone illustrations stretch across nearly every page, and invoke the past with a sense of grandeur. Covering both the grand events of history as well as the 'smaller' changes and ...

Project MUSE - Reviews in American History

By the early twentieth century, it became common to describe the United States as a business civilization. President Coolidge in 1925 said, The chief business of the American people is business. More recently, historian Sven Beckert characterized Henry Ford's massive manufactory as the embodiment of America: While Athens had its Parthenon and Rome its Colosseum, the United States had its River ...
