The miniature poodle is recognized by the Kennel Club and the AKC (among others). Miniature means a poodle of no less than 10 inches and no more than 15 inches in height at the shoulders. The miniature poodle was developed originally in France to hunt truffles. These dogs can excel in advanced obedience and agility competition.

### How To Breed Poodles — Best Practices When Breeding poodles

Disclaimer: This is a list of current assured breeders who meet all the scheme requirements and who have been issued with a UKAS certificate. We would strongly recommend that new owners select an assured breeder from the puppy lists on the Find a Puppy service to help ensure the best chance of finding a well-bred puppy and having a rewarding dog-owning experience.
