A short story is fictional composition that ranges in length from 1,000 to 20,000 words. Edgar Allan Poe, in his essay *The Philosophy of Composition*, said that a short story should be read in one sitting, anywhere from a half hour to two hours. Because of the shorter length, a short story usually focuses on one plot, one main character with few ...

The Norton Anthology of Short Fiction is a great place to start to get a sense for the landscape of the short story historically and across continents. Sure, you might take issue with some inclusions (*Why this story? Why this author?*) and some exclusions, but there is plenty here to learn from and get exposed to, and I know that I made some discoveries having read this book.
