grammar. See 'Learn ASL' in the menu for learning ASL structure.

~~100+ First ASL signs: the most used ASL words~~

American Sign Language (ASL) is the third most common language non-English used in the United States behind Spanish and Chinese and continues to be one of the fastest growing languages of study in the United States. American Sign Language is different from spoken languages because it is a visual language and it is difficult, if not impossible to learn ASL from a book alone.
