Do not have them make catapults for the Angry Birds Parabola Project. This will take entirely too much time on things unrelated to the standards you are supposed to be teaching. If this is the version of the project you want to do then partner with a shop class or art class where creating the catapult will meet a standard for that teacher.

~~Angry Birds Parabola Project - Algebra2Coach.com~~

Angry Birds Project Math 2 Unit 2 You know your angry birds and it seems something has upset them. Red Bird, Yellow Bird, Blue Bird, and Black Bird are angry with the pigs. The pigs stole the birds' eggs. The birds want their eggs back and will stop at nothing to do so. The flight path of the birds can be modeled with a parabola. When ...
