It's just another day, Choo  
choo choo choo choo choo,  
It's just another day, Choo  
choo choo choo choo,  
It's just another day. So  
sad, so sad, Sometimes she  
feels so sad, Alone in her  
apartment she'd dwell, 'Til  
the man of her dreams comes  
to break the spell. Ah...  
Stay, Don't stand her up,  
And he comes and he stays,  
But he leaves the next  
day... so sad,

Another time, another place  
The words would only rhyme,  
we'd be in outer space It'd  
be another song, we'd sing  
another way You wanna prove  
me wrong? Come back another  
day Another day. There's  
only yes Only tonight We  
must let go To know what's

from my window It must have  
risen everyday But I  
couldn't see at all The
