The researchers found an  
interaction, which means

*Page 26/47*

# Online Library Answers For Note Taking Study

that the effect of note-taking medium depended on whether students had an opportunity to review their notes before the assessment. When the students had the opportunity to review their notes, they generally

# Online Library Answers For Note Taking Study

performed better on the assessment if they took notes by hand than by a laptop.

~~How Should Students Take  
Notes? — The Learning  
Scientists~~

# Online Library Answers For Note Taking Study

Active note-taking means:  
Think about what you want to  
get from your reading and  
why you are making notes -  
how much detail do you need  
to read, and how much detail  
will you need in your notes?  
Look for answers to the

# Online Library Answers For Note Taking Study

questions you need to address: are you looking for definitions, examples, or debates/theories? Look for connections between what the current text says and anything you have already read: do the authors agree?
