The Excel Project consists of 3 projects to be completed via SAM online platform. Those projects are intended to improve your Excel skills and familiarize you with business spreadsheet applications. Successful completion (80% counts as threshold for pass/fail of each project) of the 3 projects will constitute 5% of your final Finance 3000 grade. The projects are self-graded and you'll have 3 trials to complete each one of them and only the best attempt of the three will count towards the grade.
