AP Calculus BC Exam - AP Central | College Board

AP Calculus BC courses often cover everything in Calculus AB in the first semester, while AB stretches that material out over a full year. If you decide to take Calculus AB and Calculus BC as a sequence—for example take AB Calculus junior year and then BC Calculus senior year—you don't have to worry about picking between the two classes. But if you only have room for one AP Calculus class (as most people do), which one should you take?

Should I Take AP Calculus AB or AP Calculus BC?
