Computer Science #3

Applied Algebra Algebraic

Online Library Applied Algebra Algebraic

Algorithms And

Algebraic algorithms are not only interesting theoretically but also important in computer and communication engineering and many other fields. This volume contains the proceedings of the 8th AAECC conference, held in

Online Library Applied Algebra Algebraic

Tokyo in August 1990.

Researchers from Europe,
America, Japan and other regions
of the world presented papers at
the conference.

Aaecc

The AAecc conferences focus on
the algebraic aspects of modern
computer science, which includes

Online Library Applied Algebra Algebraic

the most up-to-date and advanced topics. The topic of error-correcting codes is one where theory and implementation are unified into a subject both of mathematical beauty and of practical importance.
