# Acces PDF Architects Legal Handbook 10th Edition

Since the last edition of this book in 2010 the legal landscape in which architecture is practised has changed significantly: the long-standing procurement model with an architect as contract administrator has been challenged by the growing popularity of design and build contracts, contract notices in place of certificates, and novation of architect's duties. The tenth edition features all the latest developments in the law which affect an architect's work, as well as providing ...
