Armed Conflict and Displacement (Cambridge Studies in ...

But displacement due to armed conflict and serious human rights violations is particularly detrimental. It exposes its victims to extra risks, including violence. Such displacement is caused, or cannot be prevented by, the state. This deprives the individual from support mechanisms that would otherwise exist.

Armed Conflict and Forcible
Displacement provides a critical legal
analysis of the contemporary
international framework, permeating
forcible displacement in these
circumstances and explores the rights
that individuals possess with specific
focus on the right not to be displaced
and, where this fails, the right to
return home and to receive property
restitution.
