India from the Paleolithic Period to the decline of the Indus civilization. The earliest periods of Indian history are known only through reconstructions from archaeological evidence. Since the late 20th century, much new data has emerged, allowing a far fuller reconstruction than was formerly possible.

During the French and Indian War (1754–63) they allied themselves with the British; the French had allied themselves with several Iroquoian tribes, which were the Cherokee’s traditional enemies. By 1759 the British had begun to engage in a scorched-earth policy that led to the indiscriminate destruction of native towns, including those of the Cherokee and other British-allied tribes.
