Asus Eee PC | eBay

The Asus Eee PC is a netbook computer line from Asus, and a part of the Asus Eee product family. At the time of its introduction in late 2007, it was noted for its combination of a lightweight, Linux-based operating system, solid-state drive, and relatively low cost. Newer models added the options of Microsoft Windows operating system and rotating media hard disk drives, and initially retailed for up to 500 euros. The first Eee PC was a milestone in the personal computer business, launching the
