Used Atlas Copco surface drill rigs for sale
- Mascus

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a hole range between 27-229 mm. We offer the widest range of surface drilling equipment on the market, classified into four main product families. They range from the most advanced and automated hydraulic drilling rigs within the SmartROC family, to the versatile FlexiROC family, to the robust PowerROC family, and lastly to the pneumatic drill rigs within the AirROC family.
