There are two common
Revit MEP books that
I'm aware of. We use
the Ascent book

"Autodesk Revit 2018
MEP Fundamentals" in
our classroom training.

There is also a
"Mastering Autodesk
Revit MEP" book from
Sybex, but I don't think

it has been updated for
2018 (or 2017?). There
may be a few others that
I'm not aware of.
