Average - A Training Diary: Amazon.co.uk: Edwards, Trevor ...

Verified Purchase. The clue is in the title - this is literally the diary of a young man going through the RAF pilot training system. I suspect that for the average man/woman this book would therefore have little attraction. However having been through the system myself I found it a very good read.

Average: A Training Diary by Trevor Edwards

A training diary is a chronicle, journal, memento, memoir and log. It is a personal record of events, experiences and observations. It can be a coach and a crystal ball. It can provide a wake-up call and a slap on the wrist. A training diary is one of the best tools you can use if your goals are to improve.

Average A Training Diary

My first diary was a plain exercise book into which I ruled the following columns: Date, Type of Training, Details, Reaction, Going, Weather. I recorded the total mileage for the week and the month, which enabled me to compare the distances run in February of one year with February of another, as well as the year-on-year mileages.
