Tarling: Baroque Violin Technique supplement for ...

The differences between a Baroque violin and a modern instrument include the size and nature of the neck, fingerboard, bridge, bass bar, and tailpiece. Baroque violins are almost always fitted with gut strings, as opposed to the more common metal and synthetic strings on a modern instrument, and played with a bow made on the baroque model rather than the modern Tourte bow. Baroque violins are not fitted with a chin rest and are played without a shoulder rest.
