The Scorebook is important. It is the official game record and is used to record every pitch, at bat, and defensive play. The book is used during the game to confirm who is next to bat, how many pitches the pitcher has thrown and where runners were on base before the last play. The book is used after games to calculate player and team statistics.

Baseball scorekeeping is a shorthand method to record all the details of a baseball game. A game's official scorer will use this method, as will amateur scorers. The scorecard produced by the amateur scorer has no importance in the official record keeping of baseball statistics, but is done for enjoyment. Henry Chadwick and, to a lesser extent, MJ Kelly are responsible for defining the foundations of this shorthand in the late 1800s.

The body of the baseball scorekeeping sheet is for all of the offensive stats. You can also keep track of how many pitches a batter sees by marking the corresponding boxes within each at-bat. Beneath the offensive stats is where you will total up the runs, hits, errors and runners left on base in each inning.
