This series feels like something Lackey just churned out to cater to fans who clamored for more stories set in Valdemar, keep a steady income rolling in without any effort, or both. From the start it's badly misnamed, as "The Collegium Chronicles" are really about Mags rather than about the first days of the Heralds creating their school.

feelings — his included — about him actually remaining there. No one doubts that he is and should be a Herald, but he is afraid that his mere presence is going to incite more danger right in the heart of Valdemar. The heads of the Collegia are afraid that coming back to his known haunt is going to give him less protection than if he went into hiding.
