Before Happiness – Shawn Achor

In Before Happiness, Shawn Achor provides simple, scientifically sound strategies built around three key factors most of us undervalue: where we choose to put our attention, how much social support we build into our lives, and whether we view stress as a challenge rather than a threat.

Before Happiness: The 5 Hidden Keys to Achieving Success ...

In his international bestseller, The Happiness Advantage, Harvard trained researcher Shawn Achor described why happiness is the precursor to greater success. This book is about what comes before both. Because before we can be happy or successful, we need to first develop the ability to see that positive change is possible. Only once we learn to see the world through a more positive lens can we summon all our motivation, emotion, and intelligence to achieve our personal and professional goals.
