Between Naturalism and Religion: Philosophical Essays. Recent years have seen something of a convergence among anglophone and continental European philosophers around broadly pragmatic understandings of reason, truth and value. This movement is the result of dissatisfaction with two opposing positions. On the one hand, traditional realism and rationalism, which are deemed to be unacceptably metaphysical and even theological, assuming that reality has an established order and that human minds ...

Between Naturalism and Religion: Philosophical Essays ...
In philosophy, naturalism is the idea or belief that only natural laws and forces (as opposed to supernatural or spiritual ones) operate in the universe. Adherents of naturalism assert that natural laws are the only rules that govern the structure and behavior of the natural world, and that the changing universe is at every stage a product of these laws.

Alvin Plantinga - Wikipedia
Metaphysical naturalism is a philosophical worldview which holds that there is nothing but natural elements, principles, and relations of the kind studied by the natural sciences. Methodological naturalism is a philosophical basis for science, for which metaphysical naturalism provides only one possible ontological foundation. Broadly, the corresponding theological perspective is religious naturalism or spiritual naturalism. More specifically, metaphysical naturalism rejects the supernatural con

Metaphysical naturalism - Wikipedia
Naturalism is an approach to philosophy that highlights the governance of the world through natural forces. The fundamental difference between idealism and naturalism is that, while idealism focuses on a state of mind constructed of entities, naturalism focuses on the existing reality of entities that are governed by natural forces .
