Romanticism is a form of literature, art and philosophy, first introduced in the late 18th century, that stresses the emotional and subjective side of human nature. Writings, artwork and architecture are elaborate and colorful, evoking deep feelings. Modernism is a philosophical response to romanticism and focuses on the roles science and technology play in society.

Between Romanticism and Modernism Essay In contemporary times, the term romanticism when it comes to music refers to that period roughly between 1810 and 1900 when there was a revival for the need to listen to 'medieval' music. It is interesting to note that though this may be the case, historians are yet to agree on the actual time when this music was rekindled.

While Romanticism developed throughout the height of colonial Britain's political and economic influence, modernism came of age in one of its darkest, most pessimistic eras. British modernism came into its own between 1915, when Ford Madox Ford published "The Good Soldier," and 1922, the landmark year that saw the publication of James Joyce's "Ulysses" and T.S. Eliot's "The Waste Land."
