MrHonner on October 10, 2020 Teachers have great power to impact their students, yet so much depends on factors beyond their control. This is one of the many tensions of teaching.

Beyond My Control – Mr Honner
Beyond My Control is a wonderful book.

Read Free Beyond My Control

Quick and to the point, without any fluff, author Stuart Ross McCallum describes the uncertain hell of living for over twenty years with temporal lobe epilepsy. He talks about the early, confusing warning signs, the escalating symptoms and full-blown emergence of TLE and the risky surgery he eventually faced.
