Instead Fairy Tale shamelessly makes use of all common and well-known fantasy and fairy tale clichés to create a pot of humour, excitement and of course pure good old Civilization nationbuilding. This mod does not claim to be original or impressive, nor does it claim to be Fall from Heaven. It does claim to be fun and exciting.

Beyond the Woods: Fairy Tales Retold is exactly what it sets out to be - a compilation of fairy tales retold for the modern generation. The modern adult generation. Where fairy tales were once cleaned up and made happy and "family-friendly" for the consumption of children (looking at you, Disney), these fairy tales go back to earlier forms when such tales were cautionary tales.

"Entertaining fairy tales for adults. . . . I liked it very, very much."?Lump Lit "A fairy tale landscape beyond the literary craft workshop . . . it's about time that so-called "genre writers" claim their rightful place around the fairy tale fire. After all, fantasy and sci-fi owe much to the wonder of the fairy tale."?
