A and B. If you apply for A, that means you can check the lamps on all vehicle on the road, including heavy-duty trucks (such as big-rig tractors). The problem is, the BAR inspector may ask you where you will be inspecting the lamps for large trucks, and if you don't have room, he may disqualify you

for class A and make
you reapply for class
B, so for lamp station
status, apply for class
B.
